It is with pleasure that I write to confirm that the following programs offered at Academy of Entrepreneurs, have been granted credit recognition towards the following UTS degree:

- (a) Credit recognition does not guarantee or imply automatic admission into the UTS course. Credit recognition indicates what exemptions may apply if an applicant is successful in obtaining a place in the course, by meeting the relevant admission selection criteria and/or English requirements for the UTS course as approved by the UTS Academic Board.
- (b) Students who have successfully completed Academy of Entrepreneurs programs in the above tables are guaranteed the number of credit-points exemption towards the listed UTS degrees.
- (c) Eligible Students must apply to UTS for admission to UTS Courses in accordance with UTS Rules, Directives and Policies.
- (d) This credit recognition arrangement will be reviewed before it lapses/expires at the end of 2026.
- (e) If any changes occur at Academy of Entrepreneurs that may impact the above credit recognition, UTS Business School will review and update the credit recognition arrangement as necessary.
- (f) UTS Business School reserves the right to cancel or vary this credit recognition arrangement and will inform all relevant parties accordingly. Students who have lodged their applications to UTS prior to the date of notice will not be affected.
